

The Town of Warsaw's
Community Vision & Comprehensive Transportation Plan
Goals and Objectives Statement:

Vision:

Provide a safe, reliable, efficient, and sustainable multi-modal transportation network that supports cultural and economic development and efficient movement of people and products. Develop a comprehensive transportation plan while being compatible with environmental protection and land use plans.

Goals:

1. Coordinate with the Duplin County CTP, Town of Beulaville, Eastern Carolina Rural Planning Organization, NCDOT, and other relevant local and state organizations.
2. Study capacity, crash history, and connectivity to make recommendations where needed to improve safety and mobility.
3. Coordinate with Duplin County Emergency Management and relevant organizations to ensure that emergency plans are considered in plan development.
4. Make informed transportation decisions that are sensitive to the natural and human environment.
5. Insure the integrity of the existing transportation system by encouraging planned and strategic development.
6. Encourage right of way preservation to ensure expansion of the existing system and future roadway projects.
7. Provide means to identifying and prioritizing transportation system needs on a local and regional scale.
8. Promote roadways that allow and encourage alternative modes of transportation including but not limited to transit, walking, and bicycling.
9. Educate the public on general transportation issues as well as alternative forms of transportation.
